Culture Encounter is a fun-filled event designed to expose students to God's vision for all people, the incredible purpose God has for their lives, and the realities of cross-cultural missions.

Join us for this 4-hour program on our wooded campus and experience a trek to Jungle Camp, interactive activities and games, a campfire snack, and tribal village stories.

Let's explore together the great need, the Great Commission, and God's great plan for every life!

Culture Encounter: Ethnos 2024 is a weekend retreat where we get to spend time together learning about our relationship with God, play outdoor team building activities, rollplay a language challenge, hear stories from a tribal village and learn about God’s vision for all peoples.
