Dear Friends,

Tim at the Lausanne Congress

Thank you for your partnership in reaching the unreached with the Gospel through radio with this special gift of \$725.00 towards the Wyatt Support Fund.

Per missiologists, an Unreached People Group (UPG) is a unique cultural and language group with less than 2% Christian and no mature self-reproducing church. Estimates are that still over 7,000 groups, representing more than 3 billion people, have never heard of Jesus. Thank you for being part of the solution to this huge issue!

Last month, I attended the fourth Lausanne Congress for World Evangelism in Seoul, South Korea. This was an event started by Billy Graham in 1974 to help identify where the Gospel had not reached and mobilize the Church to fulfill the Great Commission by going to the ends of the earth. If you are interested, you can see reports and pictures at www.lausanne.org.

I met with church leaders from Kenya, India, Ghana, Pakistan, South Korea, Switzerland, and even a missionary from France serving in Quebec. There is so much potential to help these faithful servants reach more people with the Gospel using radio. I expect I will be sharing a lot more about them as we develop projects together, but any project that we undertake would be impossible without you.

As good as it was to be in Korea, I was glad to be home during the Thanksgiving season. I think we should celebrate it all month long. I find a thankful heart gets my mind and ego in the right spot. Thanksgiving acknowledges that we needed someone else's help to accomplish something. In 1957, Governor General Vincent Massey issued a proclamation stating it is: "A Day of General Thanksgiving to Almighty God for the bountiful harvest with which Canada has been blessed—to be observed on the second Monday in October." Our first thanks always goes to God. He is the Giver of all good gifts; it is in Him that we live and move and have our being. We can do nothing here at Galcom or in our personal lives without Him.

Secondly, I thank you. Your prayers for our team and our affiliates around the world are powerful! They are changing the world. Also, please don't think of your financial gift as a donation, as a one-time transaction. You are equal partners in the work of the Great Commission to reach the unreached. It is an investment in a life. We cannot go to all the places our radios are sent; but with you, our staff and volunteers making the radios, and our affiliates on the ground distributing and following up, we will transform lives, families, communities, and whole people groups.

God bless you and thank you for your partnership with us.

With you in Christ's service,

Tim Whitehead
Executive Director
