Dear Friends,

The Kapoeta installation team

Thank you for your partnership with us in the Great Commission. A gift in August is worth double the \$725.00 towards the Wyatt Support Fund here at Galcom, not because of any fancy matching-funds challenge, but simply because giving drops so low this month that every gift means so much more! God bless you for standing with us during the summer months.

Speaking of taking a summer break, we've decided to slow down here at Galcom. Not really! We currently have a team in Kapoeta, South Sudan completing work that started earlier this year. The team needed to return to complete installing the equipment in the studio building and do some training with the staff. Once the station is on the air, hundreds of thousands will be able to hear the Gospel in their own language.

The first week of August saw a second team head to Peru this year. Our partnership with the Peruvian ministry Runa Simi continues to grow. Our team participated in a Quechua celebration near Lima before heading up into the Andes to distribute Compass players, run eyeglass clinics, and do some pastor training and education on God's work in creation.

I should mention, as well, that our team of staff and volunteers are currently working through orders of 1,000 shortwave Compasses for Piara speakers in Venezuela, 2,000 for our partners at FEBC Malawi, 2,500 for FEBC Cambodia, 1,500 AM Compass players for Radio 4VEH in Haiti, and 1,000 FM Compasses for Imani Radio in Kitali, Kenya. I'm naming the radio bands the devices were tuned to as these are the *first* AM Compass players we will be

Please turn over ...

Please return this portion with your next gift

sending out, and just the *second* order of shortwave radios, after rave reviews from our partners in Bolivia who got the first batch in the spring.

Perhaps I shouldn't have joked about taking a break; we are obviously as busy as ever. Please pray for the staff here who are trying to take some time to rest and be with family, then inevitably come back to a pile of work on their desks. We are all taking one day off, though. August 15th is Galcom's 35th anniversary, so we will be spending a day celebrating and participating in some team building. Our founders, Allan and Florrie McGuirl, set a great example of faith and hard work for us to follow. I am proud of our team and the work they put into getting the Gospel out around the world through radio; I am also extremely thankful that you have joined us in prayer and giving to make it possible.

Eye-glass clinic in Peru

Speaking of our 35th anniversary: if you are in the Hamilton area, put Friday, October 18th on your calendar. Twelve years ago, our Israel-based co-founder Ken Crowell passed away. To honour him, the Galcom offices in Canada and the US and our sister ministry MegaVoice initiated a Legacy project to reach an unreached people group in Ghana. Philip Asare of Theovision leads the ministry in-country to accomplish the outreach. He will be present to report on all God has done so far. You don't want to miss this special event.

Thank you again for being a part of the team. Thank you for making this special gift during the summer months. Now, make sure to also take a break!

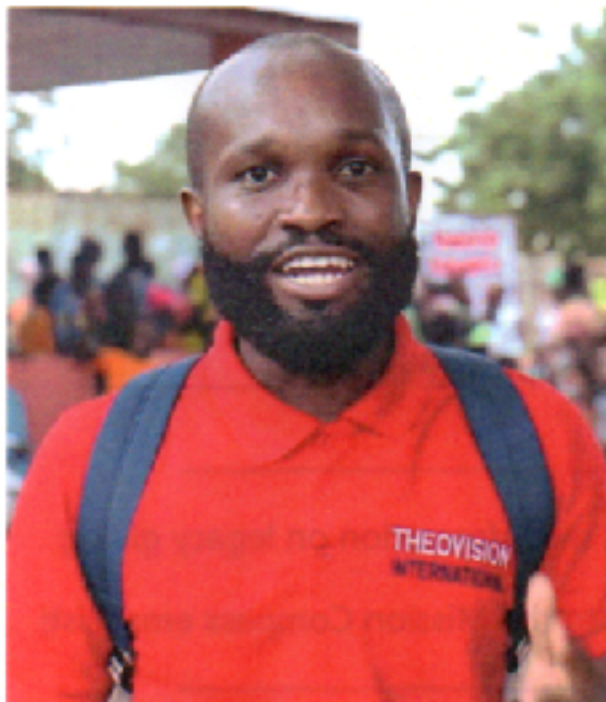

With you in Christ's service,

Tim Whitehead
Executive Director

Thank you so much for having us a ^{few} weeks ago at your church. It was good to catch up with you. Thank you for your partnership in ministry.
Grace & Peace,
Shelley & Al

Year-to-date total for all gifts: \$5,800.00

Please note that you will receive your official receipt for income tax purposes early in the new year!

Philip Asare of Theovision

Each morning, Galcom staff and volunteers meet together for a time of prayer. Please share your needs and praises with us and we will be honoured to bring your request to our Heavenly Father.

Please pray for:
